01. Splash

Animated Shubh Power launch screen with glowing brand identity.

02. Choose Language

First-time users choose English or Hindi before setup.

03. Login

Mobile OTP login starts the Shubh Power account journey.

04. Customer Details

Customer name and email are captured and stored for the account.

The image shows a mobile application interface for creating a customer account. At the top, there is a status bar with the time 4:28, two green checkmarks, a location icon, a battery icon, and connectivity icons for Bluetooth, NR, 5G+, and signal strength. Below the status bar is a logo consisting of a yellow sunburst and a blue circle with a white lightning bolt. The main heading is "Tell us about you" in bold dark blue text. Below the heading is a subtext: "Your name and contact details are stored in your Shubh Power account." There are two input fields: "Customer name" with a placeholder "e.g. Rahul Sharma" and "Email (optional)" with a placeholder "you@example.com". A blue button labeled "Save & Continue" is positioned below the email field. At the bottom of the screen is a dark grey navigation bar with three icons: a back arrow, a circle, and a hamburger menu.
